

KEEPING BID OPENINGS SAFE

UPDATED: FEBRUARY 2022

Aloha Bidders:

We want to keep everyone safe and informed, so we are excited to announce that, beginning on February 17, 2022 DAGS – PWD’s bid openings on Oahu will be virtual on ZOOM!

How will this work?

- 1. Submit your bids in accordance with the guidelines in the solicitation documents. Please leave the building immediately after depositing your bid(s).**
- 2. About an hour before the bid opening, we’ll post the link and access code you’ll need to view the bid opening on Zoom. Look for the posting on the Bidding tab on the web page where you found this posting. (Note: The link will be removed from our website after the bid opening.)**
- 3. Shortly after 2:00 pm submittal deadline, bids will be opened!**
- 4. Later that day, the bid tabulation will be posted on the DAGS PWD Bidding site, along with the subcontractor listing for the initial apparent low bidder.**
- 5. In addition, the next day (unless it is a State holiday) DAGS PWD will email to each bidder for a project, the pdf files providing scans of all pages for each of the three apparent lowest bids received. This service is intended to replace the prior practice of permitting bidders to photograph competitor’s bid packages.**

Your cooperation and assistance in keeping everyone safe is appreciated by all!

Mahalo from the DAGS – Public Works Division team!
